Holy Allah Religion (Reward of Holiest)
Congratulate to Holy Allah and Holy Family Brothers in Arms in Kaylabari Kuratoli Kailashpoti✍□□□
• Allah (Torah, Zabur, Injil, Quran)
• Sah, Dmh, Ash (Tahajud, Kador,Betor)(Holy Prayers) (Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly)
• Rabbul Alamin (Surah opening Fatiha)
• Surah Qul (Four surah Eklash, surah Nas,surah feel, surah kafiroon)
□Holy Bibles sees it true ✍□□
This looks like the beginnings of a scripture-style declaration for your **“Holy Allah Religion (Reward of Holiest)”** — almost like a sacred creed or first scroll. You’ve outlined four divine pillars, blending scripture, prayer, names, and Surahs. Here’s a way I can help refine and present it in a **scripture-style poetic format**, keeping your original words intact but giving it a structured flow:

Holy Allah Religion

(Reward of Holiest)

Congratulations to Holy Allah and the Holy Family,
Brothers in Arms of Kaylabari Kuratoli Kailashpoti ✍□□□

The Four Pillars of Truth

1. Allah — Revealed through Torah, Zabur, Injil, and Quran.
2. Sah, Dmh, Ash — Holy prayers of Tahajud, Kador, Betor.
Witnessed by Salehahmmedhelaly, Deenmohammedhelaly, and Anwarshahadhelaly.
3. Rabbul Alamin — The Surah of Opening, Al-Fatiha.
4. The Surahs of Witness —
Qul Ikhlash, Qul Nas, Qul Feel, Qul Kafiroon.
□ The Holy Bibles see it true ✍□□
Would you like me to expand this into a **formal sacred scroll** (like your other scripture projects, e.g. *Holy Prayer Religion* or *Holy Music Religion*) — with numbered verses, poetic flow, and a covenantal style — or keep it short and creed-like?
Great □ Since you want to move forward, let’s shape the **next part** of *Holy Allah Religion (Reward of Holiest)* into a **formal sacred scroll** — with verses, flow, and divine proclamation style.
Here’s a continuation that builds on your **Four Pillars of Truth** and

expands them into **scripture-like verses**:

The First Scroll of Holy Allah Religion

Reward of Holiest

1. In the Name of Allah, Most Holy, Most High,
The Revealer of Torah, Zabur, Injil, and Quran.
2. His Word stands as Light for all generations,
None can erase, none can deny.
3. Sah, Dmh, Ash — the prayers of the night and the test,
Tahajud, Kador, Betor — the lights of Holy Witness.
4. Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly,
Bear the Seal of the Prayer and the Flame of Truth.
5. Rabbul Alamin is declared in Fatiha,
The Opening of the Eternal Path.
6. And the Surahs of Witness stand firm:
Ikhlash, Nas, Feel, Kafiroon —
Four gates of purity, four shields of truth.
7. The Holy Bibles see it true,
The Scriptures bow before One Allah.

 Do you want me to **keep expanding this Scroll with more verses** (like 20–40 verses to form a full chapter), or should we proceed to outline the **Second Scroll** of *Holy Allah Religion*?

Perfect Let's proceed into the **Second Scroll** of *Holy Allah Religion (Reward of Holiest)*.

If the **First Scroll** was about the *Four Pillars of Truth*, the **Second Scroll** can unfold the **Reward of Holiest** — the meaning of faith, loyalty, and divine family.

Here's the continuation:

The Second Scroll of Holy Allah Religion

The Reward of Holiest

1. Blessed are the Brothers in Arms,
Who stand in Kaylabari, Kuratoli, Kailashpoti.
2. Their bond is not of earth alone,
But sealed by Heaven, witnessed by Allah.
3. Holy is the Family that remembers,
And holy is the prayer that rises before dawn.
4. For the Reward of Holiest is not silver or gold,

But the nearness of Allah, Rabbul Alamin.
5. He grants light to those who bow,
And strength to those who stand in truth.
6. The Surahs are their shield,
The Names are their crown,
The Prayers are their weapon of flame.
7. The Torah, Zabur, Injil, and Quran
Meet as one river in His Praise.
8. And the Reward is eternal:
Paradise for the faithful,
Victory for the steadfast,
And remembrance forever.
 Do you want me to continue **expanding this Scroll with more verses (like 30–40 total)**, or would you like me to **outline the structure of all future Scrolls** in *Holy Allah Religion* so the whole scripture takes shape?
Alright let's keep unfolding. Since the **Second Scroll** introduced *The Reward of Holiest*, the **Third Scroll** should now declare the **Covenant and Test of the Faithful** — how the Holy Allah Religion demands truth, loyalty, and purity.
Here's the continuation:

The Third Scroll of Holy Allah Religion

The Covenant of the Faithful

1. Verily, Allah tests whom He loves,
And the faithful are weighed in the Balance of Truth.
2. Not by tongues alone,
But by prayers in secret,
By deeds in silence,
By hearts surrendered.
3. Tahajud is their night-lamp,
Kador is their shield,
Betor is their hidden flame.
4. And Sah, Dmh, Ash
Are not forgotten names,
But eternal witnesses before the Throne.
5. The Family of Faith is bound,
Not by blood alone,

But by the Seal of the Covenant.
6. Brothers in Arms rise in Kaylabari,
Kuratoli and Kailashpoti bear their oath.
7. And the Reward of Holiest shall not fail,
For Allah is True,
And His Promise is unbroken.
8. Woe to the betrayers of trust,
Who sell truth for the dust of the world.
9. But glad tidings to the steadfast,
For theirs is the honor of eternal remembrance.
 Do you want me to keep going by **expanding this Third Scroll into 20–30 verses**, or should we **move directly to the Fourth Scroll** (maybe "The Surahs of Witness" as a full sacred explanation)?
Excellent Let's carry this forward into the **Fourth Scroll** of *Holy Allah Religion (Reward of Holiest)*.
Since the Third Scroll was *The Covenant of the Faithful*, the **Fourth Scroll** should now expand fully on the **Surahs of Witness** — the four Surahs you named (Ikhlash, Nas, Feel, Kafiroon), presented as holy shields and testimonies.

The Fourth Scroll of Holy Allah Religion

The Surahs of Witness

1. Allah has given four Shields of Light,
For the faithful to carry in every battle.
2. Surah Ikhlash — the Seal of Oneness.
It burns false gods and false hopes,
Leaving only Allah, the Eternal.
3. Surah Nas — the Prayer of Refuge.
It guards the heart from whispers,
It protects the soul from shadows.
4. Surah Feel — the Memory of Victory.
The arrogant are struck from the sky,
The oppressed are lifted by Allah's decree.
5. Surah Kafiroon — the Sword of Separation.
Truth stands apart from falsehood,
Faith is not mixed with denial.
6. These four are gates of purity,
Their recitation a fortress of flame.

7. Whoever walks with them shall not fall,
For Allah is their Defender,
And Rabbul Alamin their Guide.
8. The Torah bows to their truth,
The Zabur sings in harmony,
The Injil bears witness,
And the Quran completes the circle.
9. Holy Bibles see it true:
Allah is One,
And His Word stands eternal.
 Would you like me to **keep deepening this Fourth Scroll into a full 20–30 verse chapter** (so each Surah has an extended sacred commentary), or should I **move on to the Fifth Scroll** (perhaps "The Family of Witness" — about Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly)?
Perfect Let's move into the **Fifth Scroll** of *Holy Allah Religion (Reward of Holiest)*.
The theme now naturally becomes **The Family of Witness** — since you named *Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly* as sacred witnesses tied to prayers and truth. This scroll will honor them in scripture-style verses.

The Fifth Scroll of Holy Allah Religion

The Family of Witness

1. Allah raises families in every age,
Not of pride, but of witness.
2. Their names are written before the Throne,
Their deeds are lamps in the unseen.
3. Salehahmmedhelaly — the bearer of steadfast prayer,
Whose nights are rivers of Tahajud.
4. Deenmohammedhelaly — the keeper of holy truth,
Whose heart is a fortress of Kador.
5. Anwarshahadhelaly — the witness of sacrifice,
Whose light burns in the flame of Betor.
6. Together they stand as Brothers in Arms,
Bound by Allah,
Unbroken by the world.
7. Their covenant is not with men,

But with Rabbul Alamin,
Who knows the secrets of the soul.
8. They carry the trust of Sah, Dmh, Ash,
The prayers hidden from the proud,
The devotion sealed for the faithful.
9. And their remembrance is holy,
For Allah chooses whom He wills,
And none can erase His choice.
 Shall I **expand this Fifth Scroll with more verses** (detailing each one's role as sacred archetypes), or should I **move to the Sixth Scroll** — which could be *The Reward of Brothers in Arms in Kaylabari, Kuratoli, Kailashpoti*?
 Beautiful — we now enter the **Seventh Scroll** of *Holy Allah Religion (Reward of Holiest)*.
After the oath of the **Brothers in Arms**, the next theme should be **The Reward of Paradise** — the eternal victory, the unseen blessing, and the fulfillment of Allah's Promise.

The Seventh Scroll of Holy Allah Religion

The Reward of Paradise

1. Verily, Allah does not forget the faithful,
Nor does He leave His family in the dust.
2. The earth may tremble,
The enemies may rise,
But the Promise of Paradise is unbroken.
3. Gardens flow where no drought can enter,
Rivers of milk and honey are unending,
Peace surrounds like a garment of light.
4. The Brothers in Arms shall drink from one cup,
And their foreheads shall shine with remembrance.
5. No sorrow shall touch them,
No betrayal shall pierce them,
For Allah Himself will be their Comforter.
6. Angels shall greet them with words of peace,
The martyrs shall embrace them,
The prophets shall honor them.
7. And the Reward of Holiest is this:
To see the Face of Allah,

To hear His Welcome,
To rest in His Nearness forever.
8. Truly, this is the victory,
Greater than kingdoms and crowns,
Higher than the mountains,
Wider than the seas.
9. Let the world doubt,
Let the deniers mock,
But the faithful shall inherit what is written.
10. For Allah is Just,
Allah is True,
Allah is Eternal.

 Shall I **keep expanding this Seventh Scroll to a full 20–30 verses** (detailing Paradise's rewards), or do you want me to **move on to the Eighth Scroll** — which could be *The Eternal Victory of Allah's Word*?

 Now we move into the **Eighth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

If the Seventh Scroll declared *The Reward of Paradise*, then the **Eighth Scroll** should rise higher — to proclaim **The Eternal Victory of Allah's Word**, unbroken across Torah, Zabur, Injil, Quran, and all Surahs of Witness.

The Eighth Scroll of Holy Allah Religion

The Eternal Victory of Allah's Word

1. The Word of Allah cannot be chained,
It is older than stone,
Stronger than iron,
Brighter than fire.
2. Torah was given,
Zabur was sung,
Injil was spoken,
Quran was sealed —
Yet the Source is One.
3. Every page is witness,
Every prophet is servant,
Every scroll is light upon light.
4. The enemies of truth tried to erase,

But the Word returned,
For Allah guards what He has spoken.
5. The deniers twist and mock,
But the Bibles themselves bow in silence,
Confessing what the Surahs declare.
6. Ikhlash stands like a mountain,
Nas shields the weak,
Feel breaks the tyrant,
Kafiroon separates day from night.
7. These are not words of men,
But eternal weapons of the unseen.
8. Whoever carries them shall never fall,
Whoever forsakes them is already defeated.
9. The Eternal Victory is not in armies,
Not in gold,
Not in thrones of dust —
But in the Word of Allah,
Which cannot die.
10. And the Reward of Holiest is this:
To live by the Word,
To die with the Word,
To rise in the Word,
Forever.

 Do you want me to **expand this Eighth Scroll into 20–30 verses with more poetic commentary on each scripture**, or should I **proceed to the Ninth Scroll** (which could be *The Judgment of the Faithful and the Betrayers*)?

 Now we enter the **Ninth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

After the **Eternal Victory of Allah's Word**, the next natural theme is **The Judgment of the Faithful and the Betrayers** — the final balance, reward, and punishment.

The Ninth Scroll of Holy Allah Religion

The Judgment of the Faithful and the Betrayers

1. Verily, Allah is Just,
And none shall escape His Balance.
2. The faithful shall be weighed with mercy,

And the betrayers shall be weighed with fire.
3. A prayer in secret shall outweigh gold,
And a lie shall sink heavier than a mountain.
4. On that Day, brothers shall not defend brothers,
Fathers shall not protect sons,
Kings shall not shield their armies.
5. Only faith, only truth, only prayer —
Shall rise as wings before the Throne.
6. The faithful shall be called by name,
“Peace be upon you, enter Paradise.”
7. The betrayers shall be cast aside,
“For you denied, for you mocked,
For you broke the covenant.”
8. And Kaylabari, Kuratoli, Kailashpoti
Shall stand as witnesses:
That the covenant was spoken,
That the oath was written.
9. None shall deny it,
For the Word of Allah is clear.
10. And the Reward of Holiest is sealed:
Eternal life for the faithful,
Eternal loss for the betrayers.
 Shall I **expand this Ninth Scroll into a full chapter (25–30 verses)** with deeper detail of Judgment scenes, or should I **move on to the Tenth Scroll** (which could be *The Final Gathering of Allah’s Family*)?
 Now we move into the **Tenth Scroll** of *Holy Allah Religion (Reward of Holiest)*.
Following the Judgment, the **Tenth Scroll** naturally becomes **The Final Gathering of Allah’s Family** — the sacred assembly of the faithful, Brothers in Arms, and all witnesses of His Word.

The Tenth Scroll of Holy Allah Religion

The Final Gathering of Allah’s Family

1. And on the Day decreed,
The faithful shall gather,
From every land, every heart, every time.
2. Kaylabari, Kuratoli, Kailashpoti —

Shall shine in memory,
As lamps leading them to the Throne.
3. The Brothers in Arms shall stand together,
Hand in hand, heart to heart,
Witnesses of the Covenant.
4. Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly —
Names engraved in light,
Their prayers rising as incense.
5. The angels shall arrange the assembly,
The prophets shall guide the lines,
The Word of Allah shall be the banner above them.
6. And Allah shall speak,
“Enter, My family, into My Mercy,
Into My Reward, into My Eternal Light.”
7. The faithful shall rejoice,
Their eyes shall weep with peace,
Their hearts shall overflow with remembrance.
8. The betrayers shall not enter,
Their cries shall not reach the heavens,
For the covenant was clear,
The Word was given.
9. And the Reward of Holiest is complete:
The faithful gathered,
The Word upheld,
The oath honored,
The Promise fulfilled.
10. Forever, the family of Allah shall remain,
In love, in light, in unity,
Witnesses of the Eternal,
Guardians of the Sacred Word.
If you want, I can **compile all ten scrolls into a single, cohesive scripture-style book**, with a **title page, table of contents, and full scroll order** ready for publishing. This would create a complete, polished *Holy Allah Religion (Reward of Holiest)* text.
Do you want me to do that next?
 Now we proceed to the **Eleventh Scroll** of *Holy Allah Religion (Reward of Holiest)*.

After the **Final Gathering of Allah’s Family**, the next theme is naturally **The Everlasting Covenant and the Continuation of Holiest Reward** — ensuring that the faithful remain steadfast, the Word endures, and the blessings continue for generations.

The Eleventh Scroll of Holy Allah Religion

The Everlasting Covenant and Continuation of Reward

1. Verily, the covenant is eternal,
Written in light, sealed in hearts,
Bound by the Word of Allah.
2. The faithful shall remember it,
In every prayer, every breath, every deed.
3. Kaylabari, Kuratoli, Kailashpoti
Shall be names of remembrance,
Symbols of loyalty and steadfastness.
4. Allah’s Word shall flow through generations,
Not one verse lost,
Not one truth forgotten.
5. The Brothers in Arms shall teach,
The children shall learn,
The lands shall echo the sacred names.
6. And whoever holds this covenant
Shall inherit the Reward of Holiest,
Their hearts shielded, their souls elevated.
7. Trials shall come,
Doubt shall rise,
Enemies shall strike —
But the covenant shall not break.
8. And Allah shall watch,
Smiling upon His faithful,
Guarding them in mercy,
Honoring them in light.
9. Thus the Reward of Holiest continues,
Not for one time, not for one life,
But for eternity,
Through every faithful soul,
Through every devoted heart.
10. Let the covenant be known,

Let the Word be heard,
Let the faithful rejoice,
For the Reward of Holiest is everlasting.
If you want, I can **start the Twelfth Scroll**, which could be **“The Celebration of Holiest Reward”**, focusing on divine joy, eternal peace, and the glorification of Allah and His family of faithful.
Do you want me to continue with that?
 Now we move into the **Twelfth Scroll** of *Holy Allah Religion (Reward of Holiest)*.
Following the Everlasting Covenant, the **Twelfth Scroll** naturally becomes **The Celebration of Holiest Reward** — the praise, joy, and eternal glorification of Allah and His faithful.

The Twelfth Scroll of Holy Allah Religion

The Celebration of Holiest Reward

1. Rejoice, O faithful,
For your hearts are full,
Your souls are light,
And your names are remembered in Paradise.
2. Kaylabari, Kuratoli, Kailashpoti —
Shall ring with songs of remembrance,
As the faithful glorify Allah in unison.
3. The angels dance in light,
The prophets smile in mercy,
The Word of Allah shines above all.
4. Salehahmmedhelaly, Deenmohammedhelaly, Anwarshahadhelaly
Shall lead the hymns of devotion,
Their prayers like rivers of light flowing eternally.
5. Every heart shall sing,
Every soul shall rejoice,
Every deed of faith shall be honored.
6. The faithful shall feast on the fruits of mercy,
And drink from the streams of eternal reward.
7. No sorrow shall remain,
No shadow shall darken,
For the Light of Allah fills all.
8. And the Reward of Holiest shall be celebrated
Not only in body,

But in spirit,
In every breath, in every thought.
9. Let every generation remember,
Let every heart proclaim,
That Allah is Most Holy, Most Merciful, Most True.
10. And thus, the faithful stand,
Glorifying the Eternal,
United in joy,
Shielded by His Word,
Bathed in His Light,
Forever.

If you want, I can **prepare the Thirteenth Scroll**, which could be **“The Eternal Vigil of Faithful Souls”**, focusing on ongoing devotion, protection of the Word, and the legacy of Holiest Reward for all generations.

Do you want me to continue with that?

 Now we proceed to the **Thirteenth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

Following the Celebration, the **Thirteenth Scroll** naturally becomes **The Eternal Vigil of Faithful Souls** — the ongoing devotion, guardianship of the Word, and enduring legacy of the Reward of Holiest.

9. And Allah shall bless the vigilant,
Their hearts calm,
Their spirits free,
Their legacy eternal.
10. Let the faithful continue,
Let the prayers rise,
Let the covenant shine,
Forever and ever.
If you want, I can **begin the Fourteenth Scroll**, which could focus on **“The Glory of Allah and the Everlasting Light”**, celebrating divine omnipotence, guidance, and eternal illumination for all faithful souls. Do you want me to continue with that?
 Now we move into the **Fourteenth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

Let every heart reflect,
That Allah is Most High, Most Glorious, Most Merciful.
10. And the faithful shall shine,
Ever guided, ever devoted,
Bathed in the Everlasting Light,
Forever and ever.
If you want, I can **begin the Fifteenth Scroll**, which could focus on **“The Eternal Praise and Submission of Faithful Souls”**, capturing ultimate devotion, surrender, and glorification of Allah’s majesty.
Do you want me to continue with that?
 Now we proceed to the **Fifteenth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

Do you want me to continue with that?

For Allah’s Word is eternal,
His Light unending,
And His covenant everlasting.
If you want, I can **begin the Eighteenth Scroll**, which could focus on **“The Guardianship of the Word and the Continuance of Faith”**, emphasizing protection of revelation and passing the sacred knowledge to future generations.
Do you want me to continue with that?
 Now we move into the **Eighteenth Scroll** of *Holy Allah Religion (Reward of Holiest)*.

Bound by the covenant of truth and light.
10. Stand, O faithful, as guardians,
